Dearest Harold + Hill, 15 Oct 88

Thank you so much for the book, do you remember the phemphet I sent you in 75 about the same thing? Here's a couple pages of mine + a tape before + after Lillian passed away. I thought you might like to hear both Lillian + Mae who are now both gone. Ted Chorack + I are the other voices. I'm giving you my temporary address in Hawaii until I may find a house. I will be there by Nov 1st and my offer to help you still is valid when you want me. I am 5'7" tall, 120 lbs, dark hair and Joan C. said to tell you "I'm beautiful". But what does Joan know, anyway he's prejudice anyway. I eat very little and don't take up much room. Here's new address
